## Fun Casino!

### Introduction

Impress your guests, colleagues and peers whilst enjoying an exciting casino experience with the safety of 'fun' money and a variety of popular gaming tables to choose from including American Roulette, Black Jack (cards), Sikbo (dice) and Texas Hold'em (cards)

You and your guests can play just for fun, but if you like to add a competitive edge, when the casino closes, the guests simply 'cash in' their playing chips and we announce who has made the most. This competition can be performed as individuals or in teams.

### Minimum order - 2 tables, per event.

Recommended Order Guideline: Up to approx. 100 guests - 2 tables, then add 1 further table per 50 guests thereafter.

### Fun Casino Costs:

**First Table - £295.00 + vat**

**Each table thereafter - £195.00 + vat per table**

Price includes: Table hire for up to 3 hours 'open time' before midnight, experienced fun croupier, playing chips and a bottle of Prosecco for the winner of each table. Any additional hours after midnight may be pre-booked at £50.00 + vat per table per hour.

Delivery cost is extra and is dependent on the location of the event.
